PRE-ORDER FROM
\$25,000

Welcome to Compact Living WA.

These versatile buildings offer an ideal space for your family and guests, with the added potential of serving as an Airbnb, office space, or rental property to generate a steady stream of income.

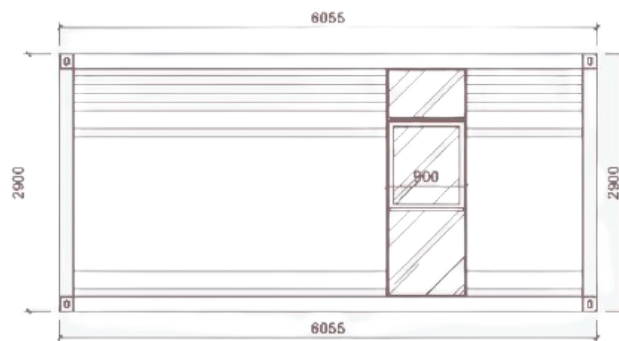

Quality built with 6m and 8m designs, they are available for delivery anywhere in WA.

Available in kit form to be constructed on-site by a qualified builder, with options to install a kitchen and/or bathroom.

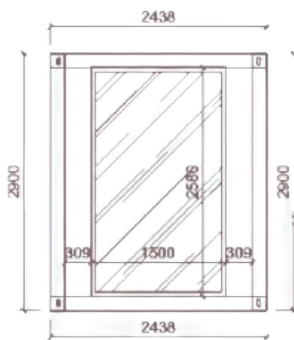

Normally our 6m model is sold for \$35,000 but as we have sold out we are taking pre-orders with a deposit to get you your new living space for only \$25,000.

This price is for a limited time only!

ABOUT US

At Compact Living WA, we specialise in providing innovative and high-quality transportable building flat-pack solutions.

Our buildings are designed with versatility and portability in mind, making them the perfect solution for a wide range of applications. Whether you need a temporary office, a comfortable living space, or a functional storage unit, Compact Living WA are the ideal choice.

We take pride in our commitment to quality and all of our products are made from durable materials that are built to last. Our team of experts has years of experience in designing and manufacturing transportable buildings and we use the latest technology and techniques to ensure that every product we create meets our high standards.

At Compact Living WA, we believe that customer satisfaction is key. That's why we work closely with each of our clients to understand their specific needs and provide solutions that meet those needs. We are committed to providing exceptional customer service, and we are always here to answer any questions or concerns that you may have.
